

# FRIENDS OF THE Reading Room

- ▶ "Friends of the Reading Room" are individuals or couples, who believe in the mission of outreach for the jointly supported Christian Science Reading Room, located in downtown San Diego. Friends of the Reading Room pledge a minimum of \$300/year (or \$25/month), which helps offset the day-to-day expenses. Greater pledge amounts are warmly received as well. Many participants conveniently donate through an automatic charge applied to their credit card (see information below)
- ▶ Another option for Friends of the Reading Room is to pay by check, which may be sent monthly, semi-annually, or annually, and **made payable to: Christian Science Reading Room**, with a note in the memo area, designating *Friends of the RR*. For non-monthly plans, we are happy to send you a reminder notice (via e-mail) of when to send your next check.
- ▶ The Friends program is very flexible, and payment plans will be set-up for your convenience. All donations are tax deductible, and a summary of your Reading Room donations will be sent to you by the end of January of the following year (for your tax records), provided we have your current contact information. Thank you for your interest in the downtown Reading Room, and your support of our most important cause.
