

Infinite Horizons

school on Sundays for children/teens

Enrollment form

We believe GOD made every child good. This includes knowing it is good to communicate honestly, to be helpful, caring, kind, intelligent and self-governed - qualities needed for good citizens and outstanding citizen-leaders.

Our children/teens excel in life when they have been given a spiritual foundation and this spiritual education should transcend all religious boundaries.

By providing a free school on Sundays, we want to help support parents achieve these goals in times that are complicated and challenging.

The **INFINITE HORIZONS** program has Sunday School taught by inspired Christian Scientists with a proven Bible-based curriculum nurturing happy, healthy children/teens. You can drop them off at school or stay and be part of the adult service.

[Sunday mornings start at 10am](#)

Students are pre-school up to age 20 and can take part in our affiliated programs:

- [Christian Science Summer Camps](#)
- [Discovery Bound/ National Leadership Council](#)
- [Principia educational opportunities/school](#)
- [Principia educational opportunities/college](#)
- [The Nautical Apprentice Program](#)

This Christian Science Sunday school meets at 10:00am every Sunday morning at the Encinitas Christian Science Reading Room. Our School year is from October 1st until May 31st. The school is closed for the summer to allow the student to participate in summer activities. Students may join our classes at anytime during the year when we are in session.
